Growlers of Sangria
\$30/\$25 refill

The purpose of this fund is to benefit Southern Local and United Local through yearly monetary donations to a teacher or coach undertaking a special interest project, two graduating student-athletes and when available, assist with improving athletic programs.

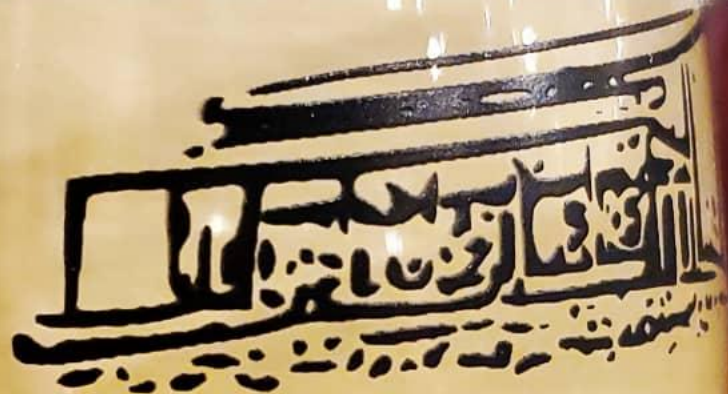

This is done to continue Kim and Ashley's tradition of supporting the local community and keeping their memory alive through those the fund benefits.

All proceeds and donations will go directly to the fund and therefore directly support Southern and United scholars and athletes.

We are selling Stickers and Koozies to support the Kim and Ashley Bergman Memorial Fund. \$5 Each
